

An Introduction to the Veritas Academy Home Chapel Program

Unlike many other Christian schools, Veritas has neither a daily/weekly chapel service nor a Bible class in its overall K-6 curriculum. This is not because we believe that the Bible and chapel are unimportant. On the contrary, we believe that the Bible is **the** rule for faith and practice. The reasons why we do not offer Bible or chapel as separate subjects are twofold. First, we believe that all that we teach at Veritas is to be taught through the lens of Scripture. Rather than compartmentalize the Bible as a separate class or subject, we at Veritas endeavor to teach all subject matter from a Christian worldview. Whether in math, history, science, or music, all teachers are to intertwine the truths that they are teaching to their understanding of God and his world.

Second, we believe that conducting daily home chapel is a primary responsibility of the parents for the spiritual training of their children. For more on the subject, we refer parents to Terry Johnson's *The Family Worship Book* for the Biblical basis and application of home devotions. Since we attach such great importance to this practice, we require all parents of full-curriculum students to commit to a daily home chapel of about 15 minutes as a condition before enrollment. To help direct parents, we provide a chapel guide schedule for each grade beginning in kindergarten all the way to 12th grade that includes Bible reading, scripture memorization, and monthly hymns/psalms for singing. If families follow the entire chapel program over a period of 13 years, they will have read through 60 of the 66 books of the Bible, including the Gospels and Acts three times and a number of the books twice; sung over 120 well-known hymns and psalms; and memorized many well-known and well-loved passages.

Concerning scripture memorization in the classroom, we have students memorize from the English Standard Version (ESV). For at home memorization and family Bible reading, you may use the ESV or another translation of your choice.

In summary, Veritas Academy provides a yearly chapel guide schedule for parents. In addition we make available a Hymns/Psalms handout that contains the music and words of the songs that will sing at school each month. Included in the schedules for the lower grades are a few supplemental resources. It is not necessary for parents to purchase these but they may find them helpful. The ordering information is provided on the following page.
