## **At-Home Reading List Policy**

Veritas Academy desires to instill in our students a love of reading. The at-home reading lists provided in Grades K-6<sup>th</sup> help facilitate this desire. These lists also provide a way for parents to be engaged in their child's education. Lists include books as "read-alouds" (parents reading to their children) and "readers" (books read by the students 1<sup>st</sup>-6<sup>th</sup>).

We also desire to keep these lists simple and the books as accessible as possible. Veritas has a limited number of each book for each grade available for check-out. Books may also be obtained from local bookstores, public libraries or internet sites. If you would like to borrow books from Veritas, please check with the teacher for availability.

Books on tape/CD are permitted as read-alouds. Families with multiple children are permitted to read aloud a book to all of their children provided the book is from the list of the student in the highest grade or if the family is continuing a book series (Chronicles of Narnia or Little House books). Please note this on the younger children's list when you are substituting a book from a higher reading list.

Books studied in Literature and History classes will be provided by Veritas. These book lists may be found in the class syllabi. You do not need to obtain these books.

Each grade level has different specifications for the number of "readers" and "read-alouds" encouraged and/or required to be read. Please see the grade specific lists for those details. The check list provided at the end of each list is for you, the parent, to sign and keep track of the books your child has read and you have read aloud.

Happy Reading!

## 2017-2018 School Year First Grade Reading List

Veritas has a few copies of each book available for lending to students. Please check with your child's teacher for availability. Many of the books are also available at the public library or available to purchase at local and online bookstores.

**First Grade Reading Policy-** Parents are strongly encouraged to complete the books from the read-aloud list. Students are strongly encouraged to complete all the readers. Parents with multiple students are encouraged to begin with the books from the History/Geography list before substituting from other lists.

**History/Geography Course - Seven Continents and Seven Seas:** This course is an elementary introduction to world geography. First graders will study each of the seven continents, learning about its topography, flora, fauna, people, nations, cities, customs and traditions. The books labeled with an asterisk (\*) correspond to Seven Continents and Seven Seas specifically. The order of the geography units and their corresponding books is on the next page.
