- Tuition Assistance** Veritas Academy offers need-based financial assistance to families on a first-come, first-served basis as funds are available. Levels of tuition assistance offered will depend on a number of factors including total (gross) family income, number of family members, and the number of children enrolled at Veritas. If you are applying for financial assistance to help with tuition expenses, **you must complete a FACTS application online (see www.veritassavannah.org/admissions/financial-aid) and submit all required documentation to FACTS BEFORE MARCH 1.** It is expected that families will pursue every other available means of financial assistance (family, other scholarship funds, etc.) prior to applying for aid directly from Veritas.
- Enrollment Deposit** Families whose children have been accepted to Veritas will receive an enrollment contract that must be signed and returned to the school. This signed enrollment contract must be accompanied by an enrollment deposit totaling one-twelfth (1/12) of the family’s total tuition obligation. Payment of the enrollment deposit will guarantee your child’s placement in the classroom.
- Payment Plans** The remaining tuition balance after payment of the one-twelfth deposit may be paid using one of the following payment plans:
- 1-Pay Plan:** One (1) lump sum payment due on June 1. There is no discount for this early lump sum payment.
- 12-Pay Plan:** Twelve (12) equal payments due on or before the first day of each month beginning with June 1, with the final payment due on or before May 1. If the one-twelfth enrollment deposit payment is paid prior to May 1, eleven monthly payments will begin July 1 and continue through May 1.
- Payments on the 12-Pay Plan must be made through FACTS and will incur a one-time processing fee from FACTS. You must set up automatic bank payments from your checking or savings account at least two weeks before your first payment is due. For instructions see www.veritassavannah.org/admissions/financial-aid.
