Lane Construction Carpool Plan

We anticipate this carpool plan to begin November 16, but, as with all construction projects, the date is subject to change. It will take a few days to iron out the kinks, please be patient. If all the available spaces are taken, please circle the block. We must be careful not to hold up traffic on Oglethorpe Avenue.

Sports & Student Life NEWS

We are proud of our High School flag football team that finished the season undefeated in league play. Way to go boys!

We also did very well at our first state Cross Country meet. All of our runners (middle and high school) qualified for state. Maribeth Nix finished 12th and Samuel Taylor finished 4th overall in our high school division. Great Job Gryphons!
