READ, THINK, & UNDERSTAND . . .

At VERITAS ACADEMY we are committed to:
Covenantal Family Based School: *Covenantal Family Based School: We seek to assist parents in their God-given task of educating their children in the Lord.*

We believe God has granted to parents the responsibility and authority for raising their children, including the responsibility of educating them. We seek to assist parents in this God-given responsibility. We also believe that God's work in the life of children occurs primarily in the home and through the ministry of local churches. We purpose to be an extension of the home and churches --educators who function as agents and servants of parents and churches. We endeavor to provide a model of educating children in which parental involvement is encouraged, indeed, even required. We are committed to fostering a covenantal community of like-minded families, who, with our faculty and staff, encourage one another in their calling to bring up their children "in the discipline and instruction of the Lord."
