READ, THINK, & UNDERSTAND . . .

At VERITAS ACADEMY we are committed to: **Christian Worldview: *We believe that every aspect of our children's education must be intentionally founded upon biblical truth.***

At Veritas we believe the focal point of all that is, has been, and ever will be is the person of Jesus Christ. We believe that the education of our children begins with this reality. God reveals Himself not only specially in His Word, but also generally in every facet of His creation. All knowledge is therefore interrelated and teaches us about God's character, wisdom, and power. Ultimate reality exists only in Him, the Creator and Sustainer of all things, and therefore truth can be understood only as it relates to Him, the God of Truth and Sovereign Lord over all. The Scriptures teach that the fear of the Lord is the beginning of wisdom and knowledge. We believe therefore that every aspect of our children's education must be intentionally grounded in and integrated with biblical truth
