

Veritas Academy Athletic Program

Veritas Academy offers a variety of sports opportunities throughout the school year for enrolled, part-time and homeschooled students 5th -12th grade. Below are the sports that will be offered for the upcoming academic year. Note the season as well as the grades eligible for each sport. Please read the bulleted points to register your child for a sport. For those sports requiring try-outs, try-out information will be sent to those registered for that sport prior to the season.

Veritas will require a one-time \$50 non-refundable deposit per student for sport participation during the 2021-22 academic year due by Wednesday, July 1. The deposit can be paid online at <https://veritassavannah.org/online-fee-processing/> by selecting the athletic deposit button and entering the requested information. This deposit will be credited to your last athletic fee of the academic year. If your child registers for cross country and track, you will owe the fall athletic fee for cross country in full. When track occurs in the spring, your \$50 deposit will be credited to your child's spring athletic fee. If your child decides not to participate in a sport he/she has registered for, your \$50 deposit will be forfeited.

- **Please thoroughly review the practice and game commitments involved with each sport prior to registration.**
- To register your child:
 - Use the link to complete registration by **July 1**.
<https://forms.gle/9oKqUcyi2Sk2PX Ea6>
 - Complete a registration for **each** child that will participate in any sport for the 2021-22 academic year.
 - Pay the \$50 non-refundable deposit per child by July 1.
- The athletic fee for full time enrolled students is **\$80 per student per season** or **\$160 per student per season for part time or homeschooled students** which must be received in the Veritas office by:
 - August 12 for fall sports
 - October 29 for winter sports
 - February 11 for spring sports

Online processing is available on the Veritas website.

The per season athletic fee will cover any sport in which your child wishes to participate in the same season. For example, if your child desires to run cross country as well as play flag football in the fall, the \$80 fee for enrolled students or the \$160 fee for homeschooled students will cover both.

- **Veritas must have a completed physical form for each student in order for him/her to participate in any sport.**
 - Veritas **will not** be offering physicals on campus this year.
 - Students can take the sports physical forms to their personal doctor to be completed. Other sports physical options include the Sandfly and Berwick Urgent Cares which provide sports physicals for \$25. CVS minute clinics also provide these services.
 - The physical forms are attached. All athletes must complete the first page of the form regarding medical history. The remaining pages are to be completed by the physician.
 - Please send the completed form to the Veritas office no later than Thursday, August 12.
