

Veritas Academy Athletic Program

Veritas Academy offers a variety of sports opportunities throughout the school year for enrolled, part-time and homeschooled students 5th -12th grade. Below are the sports that will be offered for the upcoming academic year. Note the season as well as the grades eligible for each sport. Please read the bulleted points to register your child for a sport.

Veritas will require a one-time \$50 non-refundable deposit for sport participation during the 2022-23 academic year due by Friday, July 1. This deposit will be credited to your last athletic fee of the academic year. If your child registers for cross country and track, you will owe the fall athletic fee for cross country in its entirety. When track occurs in the spring, your \$50 deposit will be credited to your spring athletic fee. If your child decides not to participate in a sport he/she has registered for, your \$50 deposit will be forfeited.

Please thoroughly review the practice and game commitments involved with each sport prior to registration.

- To register your child by July 1:
 - Click the link [here](#) and fill out all of the necessary information (you will have to complete one for each player in your family)
 - Pay the \$50 non-refundable deposit [here](#).
- The cost for full time enrolled students is \$85 per student per season. The cost for part-time and homeschooled students is \$170 per student per season and a \$15 processing fee from our athletic leagues. The payment link will be on the Veritas website or you can turn it into the Veritas office.

Payment due dates:

The athletic fee will cover any sport in which your child wishes to participate in the same season. For example, if your child desires to run cross country as well as play flag football in the fall, the fee will cover both.

Veritas must have a completed physical form within the calendar year for each student in order for him/her to participate in any sport.

- Students can take the forms to their personal doctor, Sandfly and Berwick Urgent Cares, or the CVS minute clinics.
- The physical forms are attached [here](#) and on the Veritas website. All athletes must complete the first page of the form regarding medical history. The remaining pages are to be completed by the physician.
