From Our Board

Greetings Veritas Friends & Family,

On behalf of the Board of Directors, I would like to thank you for helping to make 2018-19 another outstanding academic year at Veritas Academy. Your commitment to our mission, and your contributions of time, resources, and prayers have played an essential role in the growth of our school and education of our children.

As a member of the Veritas family, you are part of something much bigger than preparing our children for college. You are part of a community that is committed to shaping minds AND souls in the image of the cross. Our children are being equipped to think and learn for themselves in an environment that nurtures their soul and strives to impart wisdom – not mere knowledge – as the ultimate goal. Our pursuit of classical, Christian education combined with our condensed day format enables Veritas Academy to provide a unique blend of substantive academics while maximizing the family's role in shaping our children's faith and character.

Looking ahead, we begin the 2019-20 school year with a total enrollment of 193. Of these 193 students, 149 are returning for a retention rate of 87%. We are grateful to God for His provision in bringing new families, new teachers, new staff, and new board members to Veritas Academy this year. We look forward to another exciting school year!

Please share what makes our school distinct with others in your community and church. We pray that through sharing our mission with others, God would be pleased to add to our numbers and bless future generations for His glory. Moreover, please remember Veritas Academy in your prayers.

"Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God. And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him." Col. 3:16-17

From Our Board Chairman

Greetings Veritas Friends & Family,

It has been my honor and privilege to serve as the Board Chair. Last year we saw our students reach new milestones and achievements. After a period of limited opportunities to spend time together, it was great to be able to have the Veritas community together for various events throughout the year. God has been gracious to our school and I am continuously thankful to our Veritas community for the support that has been shown to ensure that we continue to serve our mission of providing Classical, Christian and Covenantal education for our students. Please continue to pray for our students, staff, and faculty. On behalf of the Board of Directors, thank you for all that you have done to support Veritas Academy. I believe that the 2021-2022 school year was a great success and I look forward to what lies ahead in 2022-2023. Please remember to pray often for our Classical, Christian, and Covenantal school.

Sincerely,
